SYNOPSIS.

PROCEEDINGS OF THE EXECUTIVE COMMITTEE.

QUEEN'S COLLEGE, }
10th AUGUST, 1855. }

The Executive Committee met this day, pursuant to adjournment.

The land belonging to the College in Toronto was reported to have been sold to Mr. Rice Lewis, for one thousand three hundred and thirty-two pounds; the amount payable one-tenth down and the balance in ten years, with interest payable half-yearly.

A letter was read from the City Clerk, in which the Council offered to grade Arch street, on condition that the College would grant the land requisite to make the same sixty feet wide, on the Council's paying at the rate of six hundred and forty pounds per acre for as much as the same would exceed one quarter of an acre. In reply to this the Secretary was authorised to state that the Trustees would accept their proposition, on the additional condition that the Council should erect a substantial fence between the said street and the property of the College.

An extract from the minutes of Synod was read, reporting the re-election by that body of the retiring clerical Trustees.

An extraordinary meeting of the Executive Committee was held this day.

A letter from the City Clerk was read, stating the willingness of the Council to construct a fence as required by the Trustees, on condition of the land necessary for the street being given gratuitously. In reference to this the Chairman, Mr. Mowat, and Mr. Bruce were appointed a Committee to confer with the members of the Council on the subject.

QUEEN'S COLLEGE, }
2nd October, 1855. }

The Executive Committee met this day, pursuant to adjournment.

The Committee appointed at last meeting, to confer with members of the City Council, respecting the granting of the land necessary for widening Arch street, reported that they had agreed to grant the land necessary for that purpose, on the conditions of having said street graded—a fence erected along the street, and, in case drains or sewers were opened into the stream passing through the College property, said stream should be covered over by the Council in its entire length, in a proper manner.

The action of the Committee in this matter was ap-

proved of and sustained, Professor George dissenting, and protesting, leave being granted to Professor George to give reasons for his dissent.

The Secretary was directed to write to Toronto, requesting transmission of the Mortgage of Mr. Rice Lewis, securing payment of the purchase money of the Lot sold to him, and also payment of the first instalment.

he would undertake the first elementary class in Hebrew twice a week.

It was resolved that in case Dr. Machar should be at any expense in finding supply for his pulpit while engaged in the duties thus undertaken by him, the Board should reimburse him for the same.

Leave was granted to Professor Weir to procure Maps requisite for his department.

A letter was read stating the inability of the Secretary of the Ordnance Department to comply with an application from the Trustees for a grant of land.

The College can claim as a right the amount of the interest on the Commutation effected by the four Professors. What that was Mr. Allan had not yet ascertained, but would write again. If the funds will admit of it, the Commissioners will make it up to £500, but they cannot pledge themselves to do so.

The Rev. Drs. George and Williamson were requested to prepare the Annual Statement for the Colonial Committee.

The Committee were informed that the Rev. Dr. Machar had undertaken both classes in Hebrew.

Professor Smith, dated Rome, 15th Dec., 1855, and making application for the payment of his salary during his absence, it was resolved that Professor Smith's half year's salary be paid in advance to him, on the terms mentioned in his letter, and subject to the approval of the general meeting of Trustees.

QUEEN'S COLLEGE, }
4th March, 1856. }

The Annual Report to the Colonial Committee of the Church of Scotland, was read and adopted.

The Rev. Dr. George read a protest against the action of the Executive Committee in alienating a portion of the College land to the Corporation for the purpose of widening Arch Street, and which protest was ordered to be entered on the Minutes. the Summer months, excepting by Students resident in Kingston.

The sum of sixteen pounds was granted to the Senatus Academicus, to be spent in prizes at the close of the present Session.

The sum of six pounds was granted to Mr. Robert Campbell, being four pounds for his services as Librarian, and two pounds for the additional labour of compiling a Catalogue.

QUEEN'S COLLEGE, }
6th MAY, 1856. }
